MEN'S PROGRAM

The Men's Slow Pitch Softball program is open to men ages 16 and older. The program is sanctioned through USSSA and consists of three league options. Teams will register for the league option of their choice. Games will take place August-October at the Henry S. Parker Athletic Complex (alternate fields may be used on occasion). Games and playoffs will be scheduled only on league nights, excluding make-up games. All leagues will primarily play doubleheaders.

COED LEAGUE

The Coed Slow Pitch Softball League is open to men and women ages 16 and older. The league is a great way to meet new people, get exercise and have fun. The league is sanctioned through USSSA and consists of different divisions to accommodate recreational and competitive teams. Games will take place August-October on Friday evenings during the regular season. Most games are played at the Henry S. Parker Athletic Complex, though alternate fields are used based on weekend availability at the Complex.
